

# Capabilities Statement

POC: Patrick Pickard  
Phone: 989-845-3880  
Mobile: (989)436-3727  
Email: sales@jetool.com  
Site: www.jetool.com  
Mail: 305 S. 4th St.  
Chesaning, MI 48616 - USA

- Woman Owned Small Business
- Cage Code: 0AAD7
- DUNS: 006006969
- AS9100-D & ISO9001:2015
- Government and Defense Contract Experience.
- Export Experience

## Capabilities/Assets

- Certified welding GTAW (TIG), and GMAW (MIG), in Al6061, A36, SS-304, 17-4 PH, and 4130 series metals. (Simple to complex scope projects, with traceability of all steps)
- Large or Small Fabricating (Steel, Stainless Steel, Aluminum, Inconel, Wood, Plastics)
- EDM (Wire Cutting & Die Sinking ), Waterjet & Plasma Cutting
- Conventional & CNC Turning & Grinding
- Conventional & CNC Milling
- Large Capacity Boring Mills (84" x 69" x 69")
- Large Capacity Turning (54" x 54" MAX)
- Painting, Labeling, CNC & Laser Marking
- Quality Testing, Assembly, and Kitting
- Heat Treating and Special Processes (Anodizing, Black Oxide, Chrome, Phosphate, Nickel, Zinc, Teflon, Plastisol, & Nylon, Load Testing with Fluorescent Penetrant, Magnetic Particle, or X Ray Inspection)
- Typically work to +/- 2 tenths (0.0002") tolerances

## NAICS Codes

- **332710** Machine Shop
- **332721** Precision Turned Product Manufacturing
- **332322** Sheet Metal Work Manufacturing
- **336413** Other Aircraft Parts and Auxiliary Equip. Mfg
- **332999** Misc Fabrication

## Company Info

- Established: 1963
- DBA Jetool since: 1975
- Employees: 20+
- Customers: OEMs, Tier 1s and 2s  
Ex: GE Aviation, Honeywell, Pratt & Whitney, Rolls Royce, Rhinestahl CT, Kuka

**Precision tools, carts, and fixtures; ON Time, ON Spec, and ON Budget**
